WINTER CHARITY DRIVE

SPREAD THE JOY

From Gratitude to the Heart

Join the effort this winter to collect 1,000 care kits for the homeless, containing essential items for some of our community's most vulnerable neighbors, from Thanksgiving until Valentine's Day!

Homeless people often go without the basics many take for granted. In the struggle to find food and a safe place to sleep, simple hygienic procedures such as brushing teeth or washing hands can be very difficult. Metrocare's outreach team members rely on essentials kits to build trust when meeting people suffering on Dallas streets without stable housing or mental health services.

So, Here's How You Can Help

It's super easy! Conduct an internal drive to collect small, travel-size items (as listed below) packaged in gallon-size, resealable plastic bags. The kits include simple, inexpensive items that you can pick up when grocery shopping or by making a quick trip to a nearby drug store. Isn't this the perfect volunteer project for your socially-distanced winter holiday season?!

Each Kit can include:

- a toothbrush
- deodorant
- two (2) single-serving snacks
- toothpaste
- a pack of wet wipes
- a bottle of water

Once assembled, you can deliver the kits for hands-free drop off to **Metrocare at Skillman (9708 Skillman Street, Dallas TX 75243)** during normal business hours (8AM - 5PM, Monday - Friday). If you would, please notify us of the delivery using the email contact info below, so we can thank you for your gift.

To support the drive with a monetary gift, you can **visit www.metrocareservices.org** today and **DONATE** to "Spread the Joy: From Gratitude to the Heart."
